Editorial Note

Dear Readers,

It is indeed a pleasure and a time to say THANK YOU to all of you for the your love and kind support through out the journey of 12 years of establishment of ADD VALUE CONSULTANTS. We have consistently improvised our services by aligning with the need of the Industry. Remained focused on the People Part, we have successfully helped the clients to reach out their long terms goals through Strategic Consulting, HR Consulting and and Global Business Advisory services. We have greatly emphasized on Talent Development and nurturing through our corporate Training Initiatives.

The major upcoming initiatives are Introducing Employee Experience (Ex) model from Idea to Implementation level in the Industry and to address the burning need of Identifying right HR Managers through our new segment HR Recruitments during the Year 2024-25. I will be coming with more details soon. Till then Keep adding values...Thank you once again...!!!

Regards,
Chetan Bhojani
